

RISHIN MADAN

VOTE RISHIN FOR YOUR **JCR TREASURER**

I am a 1st-year Physics and Philosopher, dedicated to making the JCR run smoother than its coffee machine. Organized, impartial, and willing to help, I will make sure the JCR's members have the resources to back their big ideas. I will look further than the bank accounts and excel documents to make your dreams come true.

PLEDGES

EFFICIENCY, EFFICIENCY, EFFICIENCY!

I will work efficiently. As the treasurer, my fingers will be in many pies, so I will ensure that I am not an impediment to any club, society or budding project. **I will spend efficiently.** In order to get the maximum bang for the college's buck, it will be my personal responsibility to track the trail of each pound spent, guaranteeing it could not have been spent better anywhere else.

HARMONY

In order to spend efficiently, I will set clear boundaries on spending each term. But by working personally with JCR members, **I will ensure flexibility** in the goals of the JCR. Not only will I provide the required financial advice at OGMs, **I will be a reliable contact** at all times to harmoniously provide prudential advice for those spending the JCR's budget. Furthermore, I will embrace the need to be impartial whilst doing this: I won't get pushed around by persistent spenders, and I will be receptive to all arenas of college society.

TRANSPARENCY

No, I am not here to launder money. Nor I am here to use the college's resources to buy myself regular Ahmed's. Don't believe me? Well, you don't have to: **I will be utterly transparent** with where spending goes so I can be held accountable. I will make sure brief outlines of spending are emailed twice a term, with further information available on request.
