

ELLIE OWEN FOR ACAF

Why should you vote for me?

- I was the academic prefect at my sixth form, which has given me the experience and skill set to represent your interests
- I'm a history student, which means fewer contact hours and more time for you!
- I'm fun and friendly, always up for a chat and happy to help in any way I can

Hi, I'm Ellie and I'd love to be your next ACAF rep!

The welfare and concerns of the student body are really important to me and I feel like I could bring a lot to this role to ensure that everyone is able to achieve their academic potential!

My priorities:

- organising LOTS of subject-based social events (got to make up for lost time!)
- working with the college and welfare team to ensure that students struggling with work for mental health reasons get the support they need
 - chasing up collections
- creating an anonymous suggestions box for any concerns you might have
- being someone you can always talk to if you need to
- providing support for those still working from home
- working with the library to make it a welcoming space
- working with the access team to make academic life accessible to everyone
- keeping you up to date with the latest opportunities/internships etc.

Vote Ellie for ACAF!
