

Male Christian Kirk for Welfare Representative

About me!

A fun first year biologist who loves interacting and helping others!
Lover of musicals, smiles and reading (when I have the time).

Why me?

Honest desire to help others- why I wanted to do biology in the first place!
Experience in organisation, meeting planning and liaising with others from

Role as deputy head boy .

Has aided in welfare tea previously

Friendly and approachable!

Great at listening and being a shoulder to cry on (since we all need one)

Policies

Continuation of previous work

Producing **Welfare Surveys** for each term.

Continuing the push for **animals** in college.

Publicity of Welfare

Creation of a **welfare Instagram** to promote good vibes and inform about welfare events.

Possible creation of a **welfare Facebook page** for better publicity and ease of finding welfare events.

Peer Supporters

Better **viability** of who is a peer supporter

Creation of easy to access link of **intranet** for peer supporter contact.

Indicate **identities** of peer supporters for those who may want to discuss with someone they are comfortable talking to: e.g. rainbow peers; BAME; etc.

Welfare Tea

Use of **signified trays** for gluten free and vegetarian foods.

More use of actual **tea** (and other drinks) during the teas.

Addition of **dough balls** to the menu .

Other

Extending **warden's gate** opening times, so freshers in Merton street feel less cut off.

Message and Snack **gift service** to people's pidges.

Welfare Plushies.
