AN ICONIC DUO

Imo and I would love to be your entz reps! If you want to know why we'd be good.. I could let the photos speak for themselves but in the words of the people: "Eddie is a chaotic force for good... and Imo is a person" – Shiv

Image descriptions

Me on bonfire night in my stripey black and white trousers. There is what appears to be a sparkler in my mouth, I don't really remember this photo being taken but we move.

The iconic duo themselves. A photo of me and Imogen in our sexy sexy sexy sub fusc. Looking deeply into each other's eyes... ooo the sexual tension.

A wholesome photo of me and (president elect) Roheena hugging. Taken in the beautiful rose lane 4 landing.

A photo of me and kat on black tie looking boujee. I'm holding my iconic giant plastic gin glass and look very drunk hehehhe.

A cute photo of me and Jana on rose lane 4 steps. Jana's holding a doughnut whilst I throw peace signs.

The iconic duo again. A photo of me and imo in the boujee bathrooms in Merton. There was a full-length mirror, what were we meant to do? Not take a photo!

Chaos. Pure chaos. After my 8 doubles of gin at jolly farmer, I managed to drag imogen, Sadie and Tim down with me when I drunkenly stumbled. Yes another photo I do not remember... WE MOVE.

Me at plush with a giant inflatable penis. I kind of remember this photo YAY.

Throwback to our Hilary house. A photo of me on Nayah's back on fellows' garden. About to do a piggyback race as part of our wholesome family fun day during the Easter vac.

A photo of me and my beautiful college wife on matriculation (we are the best college marriage). In full sub fusc and hugging a tree.

Me and another person in my sink.

A photo of me and Gem standing next to Rose Lane 5 kitchen's alcohol table. The table contains a lot of alcohol. I'm holding a bottle of lime vodka and Gem's holding the lethal 95% vodka.
