

PETER FOR TREASURER

Hi, I'm Peter Aitken, a first year Chemistry student here. I've thoroughly enjoyed my time at Merton this year, which would never have been the same without all the hard work of the JCR. Having also been on the Games Room Sub-Committee, I have seen first-hand how our money is turned into tangible enjoyment for everyone.

As Treasurer, I will be committed to efficiency, transparency and attention to detail, so that the other wonderful JCR reps, clubs and societies can get on with their crucial work in supporting the student body, holding events and improving access to the college.
