Zander for Entz!

Hey Guys, I'm Zander, an English and French fresher, and I'm running to be the future JCR Entz rep with the fabulous Joe Clarke!

I'd be a great entz rep because as many of you know, I LOVE music, love dancing, very susceptible to peer pressure, 'ate being boring, simple as.

When Zander met Joe

Joe and I met on a fateful day in September, he was wearing his trademark dickies and I my trademark Carhartt, but like Romeo and Juliet it was love at first sight. Since then, we've been fighting to change Merton’s rep across Oxford, whether its bridge, plush, or whatever college’s bar we end up in.

Our plans:

- Carry on with 4 Bops a term, plus other themed nights and fun activities in the bar!
- Update the music for Bops, you have spoken and we have been listening!
- DJ slots and DJ equipment are a top priority, we want to hear your music!
- Create an outside seating area at Bops, for people to rest and recover from the madness in the pav. No one likes sitting on concrete!
- Collaborate with other reps to plan events that are inclusive to everyone.

We want to build on the strong foundations that Eddie and Imo have built and make next year even more fun and exciting! We'll also organize:

- Karaoke nights
- Movie Nights (bit of a film buff)
- Get more inter-college events, like bar crawls, bar swaps etc.

Who's who??

Learned from the best!
